Dairymen Say Quality Will Be Raised with Price.

NO PROFITS FOR PRODUCERS

Farmers Assert That It Will Be Impossible to Comply with the New Regulations at the Present Rate the Lacteal Fluid.

The proposed increase of the price of milk will result in the production of a better quality of the fluid, according to

"From statements made to me by prosaid Dr. Woodward yesterday. "When the cost of transportation and freight is dairymen and farmers that the only profit to them is from the sale of the alves, &c., there being absolutely n

profit in the sale of the milk itself. Would Result in Better Quality.

would not only add a percentage of profit to the producer, but would result in a better production of the article. For instance, there is a clause in the bill, now pending before Congress, regulating the Women Interested in the Institution production and sale of milk in the District, providing that no milk or cream shall be sold, otherwise than as sour milk or buttermilk, unless the same has been properly cooled, immediately after milking, to a temperature of 50 degrees

"The farmers say it will be impossible they receive a reasonable profit on the sale of their milk, this reform, as well others tending to better the quality of production, can be adopted without loss to the producer."

BID FAREWELL TO SINGER

ple's Mission Members. Farewell services were held last night

at the People's Mission in honor of Dr. John W. McMichael, who will leave Washington next Monday for Portland, Oreg. Dr. McMichael has been identified with the People's Mission almost since its nception, as one of its principal singers, and his many friends were out in force last night to say a parting word and bid him God-speed upon his journey.

Dr. McMichael has been a member of the quartet of the People's Mission, which has given interest to its meetings. The other members of the quartet are George at Which They Are Being Paid for W. Havel, James P. McCurdy, and W. C. McMichael. Dr. McMichael has also been a leader of the singing in the Sundayschool of the Church of the Covenant and a member of the choir of the First Baptist Church and the Gunton-Temple Memorial Church.

Last night the exercises consisted chiefly of farewell messages from his friends, ir terspersed with songs by individuals and the quartet. Dr. McMichael made approducers, there is no profit to the farmers priate response to the many words of good feeling expressed, and Mrs. McMichael also spoke. Mrs. McMichael is the daughter of Judge Ivory G. Kimball, of the Police Court, and she said it was through association in the mission work gallon costs nearly that sum to pro- that she and her husband became ac-

WORKING BOYS MADE HAPPY

"If the price is raised, as proposed, it Christmas Tree and Presents for All at the Home.

> Personally See That All Have a Good Time.

As fine a Christmas tree as ever graced the pine woods greeted the little to comply with the regulation at the fellows at the Working Boys' Home when present scale of prices, as it will necessitate the purchase of ice. If, however, bration last night. Bright candles show from every branch, the gayest ornaments ecorated it, and the most angelic angels, ouncing on rubber bands, beamed on the happy groups.

Safely stowed behind the tree were the gifts, two for each boy, and the mightlest Santa Claus, six feet four and great in girth, distributed them. His coming was announced by a letter written on parch ment and certified by the seal of his kingdom, which explained the belatedness entirely out of debt, according to a statemerriest, crisplest Christmas in the cour try. There were eatables, too, in great quantities, which did not suffer from want of appetites, and no improper pride filled a second helping. All in all, the party working places, it is because a rule was
